**START SMALL**
Focus on small goals first and take it one goal at a time. By doing so, you’re less likely to feel overwhelmed and more likely to stay the course.

**REACH OUT FOR SUPPORT**
You don’t have to do it all alone. Consider teaming up with a family member or friend who’s aiming for the same goals you are. Make it a challenge!

Make sure to celebrate small successes. Giving yourself credit will help you stay motivated in the long run. So go ahead and hype yourself up!
