Ready for a Biometric Health Screening?

Option 1 – Schedule a PSC appointment at a Patient Service Center (PSC)

- Quest has many PSC throughout Ohio. Make sure to schedule prior to Dec. 15, 2021.

Option 2 – with a Physician

If you are unable to make a PSC appointment, have your physician complete a Physician Results Form.

Download a Physician Results Form

- Ask your doctor to complete it using recent lab results.
- Your doctor may charge a fee to complete the form. The Ohio Bureau of Workers' Compensation is not responsible for charges incurred by your physician.
- The form must include all required screening values and signatures. Make sure the form is faxed to Quest Diagnostics by Dec. 15, 2021.

Option 3 – with a Qcard™ at home kit

If you are unable to make a PSC appointment, request at-home test materials to complete your screening.

Request at-home test materials

- Request Qcard at-home test materials.
- Complete the at-home test by following the instructions and return your at-home kit the same day you complete the at-home test and return prior to Dec. 15, 2021.

Quest Service Center: (855) 623-9355

Completing your biometric screening is easy and convenient. Your individual results are private and confidential and will not be shared with your employer or the Ohio Bureau of Workers' Compensation. You will receive current and accurate lab results that you can share with your doctor. If you call the Service Center please mention you are with Better You, Better Ohio! program administered by Ohio Bureau of Workers' Compensation.

* See if you are eligible for the program. Then complete registration which is required prior to a biometric screening.
